

WELCOME TO SABATTUS!

If you need help, call Sandy, 415-3173404.

It is fine to call late.

GETTING THERE

Our Address is 105 Depot St, Sabattus, Maine, 04280.

It takes about 15 min from Lewiston, 5 min from I95, 45 min from Portland, 2,5 hours from Boston to get to our place. Boston outbound traffic is bad, plan accordingly.

Most convenient route is: Sabattus Rd → Long Beach Rd → Timberlake Ln → Depot St.

Our road is very close to the lake, and it is very dark after sunset. Please be careful.

Let the owner know when you arrive so we make sure we are ready for you

1 day before arrival please order any additional services you require

If you need help, call Sandy, 415-3173404.

CHECK OUT

Checkout is at **10 am**. Don't forget to log out of the stream services.

Before leaving, please turn off everything you turned on and put furniture back where it was.

GOOD TO KNOW

Parking is in the driveway (you can fit 3 cars). **No parking in the garage** available currently.

The neighborhood is very safe. We are on a private road, divided between 3 families.

Wood is included. Let us know if you need more. Games and luges are in the garage

Grill gas is included. Let us know if we are running low.

Boat is included. Oars, jackets are in the garage.

Maine requires fishing license. They will check you. Don't get caught.

Maine does not require foraging license for mushrooms.

Trash bins are on the left of the garage, emptied on Thursday, please make sure trash man can access them. Trash and recycle should be in bags (provided, and you can use any bags)

Compost can is on the counter (stainless steel), compost bin is near the garbage (metallic with holes)

If you keep the bathroom window a notch open, it helps to clear the fog.

EMERGENCIES

We are in the country, so blackout might happen (rarely). We have a generator, and you will be able to use it with our help. **In case of blackout, phone us immediately (415 317 3404, Sandy, the host).**

Nature bites. There are mosquitoes, flies, and occasional poison ivy in vicinity. We do our best to eliminate it, but we are again, in the country. Use provided anti-mosquito spray. **In case of poison ivy exposure wash the affected area with cold water and soap.**

If something bad happens to us, we go to **St Mary's hospital in Portland**. If something not that bad happens we use **Maine Urgent Care**. If something happens to our kitty, we go to **Freeport Urgent Pet** care.
